

PRESS RELEASE

Paris, May 9th, 2016

Salvepar announces a 3.7x gross result on its investment in MultiPlan

Further to the earlier announcement that an agreement was signed among the shareholders of MultiPlan and Hellman & Friedman for the sale of the MultiPlan group, Salvepar announces that the estimated capital gain for Salvepar in connection with its investment amounts to €39.7 million, *i.e.*, a 3.7x multiple (estimate based on the €/€ exchange rate on May 6th, 2016, after costs, but before corporate tax).

As a reminder, Salvepar invested \$20 m in the acquisition of MultiPlan alongside Starr Investment Holdings in March 2014. The closing of the sale transaction is expected to take place before the end of H1.

About Salvepar:

Salvepar, which is majority owned by the Tikehau Group, is an investment holding company listed on the Euronext Paris stock exchange (Compartment B). Salvepar pursues an active policy of minority investments in listed and non-listed companies, seeking sectorial and geographical diversification (in France and abroad).

About MultiPlan:

Founded in 1980, MultiPlan operates in the USA and provides healthcare payers complete solutions of money saving over healthcare costs' reimbursements. Thanks to its 900,000 healthcare providers under contract and to its internal intelligence analysis capacities, MultiPlan generates over \$13 bn medical costs savings for about 40 millions of requests per year.
